ITAG/SAGE, Idaho the Association for Gifted Education, is an organization whose mission is to improve the availability and quality of information, programs and training for gifted and talented education in Idaho. Members are people who, like you, believe in gifted education. ITAG/SAGE is an active organization supporting many worthwhile initiatives.

For membership, fill out the form below and send it, along with your membership dues to Linda Hawley, secretary. If you have questions or need additional information, please feel free to contact an officer or regional representative. We hope we hear from you soon.
