

Idaho Gem Award

Idaho Gifted Education Milestone

ITAG/SAGE strives to improve the availability and quality of information, programs, and training for gifted and talented education in Idaho. This mission is accomplished through the advocacy and accomplishments of many people.

ITAG/SAGE would like to recognize and honor educators and/or community members who, through their dedication and advocacy, have helped improve gifted and talented education. Nominations are open for:

Educators—Facilitators, classroom teachers, principals, program coordinators, counselors, administrators, etc.

Community Members—Parents, legislators, elected officials, media people, authors, businesses, and etc.

Nominations must be submitted no later than July 30.

The Gem Award recipients will be announced during the ITAG/SAGE luncheon at the October CEC Conference in Sun Valley.

I. Nominator's name _____
