

ITAG/SAGE Mini-grants

Up to six mini-grants in the amount of \$200 or less will be provided this year for innovative ideas that promote gifted education in schools and benefit gifted children.

The grants are intended to help fund projects that provide direct support for programs and/or materials for gifted children. However, ideas that in-directly benefit gifted children will also be considered. Applicants must be ITAG/SAGE members to be considered.

Grant recipients will be announced at the ITAG/SAGE general membership meeting at the October CEC Conference in Sun Valley. Recipients do not need to be present and will receive a formal award letter from ITAG/SAGE. A one "show-and-tell" page for our scrapbook will be due at the conclusion of the project.

Applications must be **postmarked by September 15.**
